**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&t prices were climbing regularly for 10 years with no improvement in services, unless , of course, I paid even higher prices. They were constantly offering improved services but with a big price tag, whereas my present carrier gives many improvements at a very competitive price. Consumers definitely benefit by The increased competition! My present feature-rich telephone service comes at a very competitive cost.
